20. [redacted] LIAISON Called Angelo Codevilla, Senate Select Committee on Intelligence staff, to ask him whether Senator Malcolm Wallop (R., Wyo.) would like to tour the Operations Center during the day of orientation briefings planned for 21 November. I told Codevilla that Senator Wallop had previously had a quick look at the Operations Center, but we thought he might like a more thorough tour. Codevilla said he would check and let me know.
